WHOLESALE CATALOGUE

OF THE

Faulkner Nurseries!

Office No. 15 South Street,

Dansville, Liv. Co., N. Y.

We take pleasure in presenting our annual wholesale trade list for the Autumn of 1871, and respectfully solicit early orders.

To our former Patrons it is unnecessary to say anything in regard to the quality of our stock, or the method of conducting our business, except that we are prepared and shall at all times aim to come fully up to our standard. To those that we have not had the pleasure of dealing with, we beg to say, that, if favored with their orders, we shall spare no pains to have them filled in a satisfactory manner. Our stock is large, healthy, and fine in all respects, and grown with reference to the wants of the trade generally.

We commence digging and packing about the 1st of October, and continue through the season.

Parties purchasing of us should give explicit directions as to *route* and mode of conveyance they wish their stock forwarded. If not given, we shall exercise our best judgment, but in no case will we become responsible after delivering at depot, except for our own mistakes.

TERMS—Cash, or satisfactory note payable at Bank.
